

El Valle Villa

This Villa is furnished to an exceptionally high standard with luxuries galore including: marble floors throughout, dishwasher, American style fridge freezer, microwave, electric oven, luxury master suite with Jacuzzi, flat screen TV's, PS2, fully air-conditioned for summer and heated in winter. And not forgetting the little ones: Stokke high chair, children's table and chairs, outdoor toys and more...

Outside is a fully gated private swimming pool, children's table and chairs, painting easel and slide.

The outdoor seating area has a sofa and chairs, wooden steamer sun-loungers and outdoor eating area with bbq

The whole property is securely fenced so there is no danger of children wandering away.

El Valle resort is set to become the most exclusive sports and leisure destination in South Eastern Spain. Boasting a superb location, nestled at the foot of the Carrascoy mountains just 10 kilometres from the city of Murcia and only a 20 minute drive away from the beautiful beaches of the Mar Menor. With miles of sandy beaches the Mar Menor is an inland sea which means the water is always warmer, usually 5 degrees warmer than the Med, usually has no currents and no sharp drops making it perfect for children, plus there is so much of it, it is never packed.

The resort has an abundance of lush wide open spaces along with a stunning Club House with restaurants and bars and a well stocked supermarket. There are many childrens parks dotted around the resort - the closest a 1 minute walk from the villa.
